Written nominations for representatives and alternates are forwarded to the Superintendent of Education, Student Achievement with responsibility for Special Education, clearly indicating compliance with candidate qualifications, association(s) represented, and representative and/or alternate candidate names including address and telephone numbers. Submissions are reviewed and recommendations submitted to the Kawartha Pine Ridge District School Board of Trustees based on collective exceptionality represented, geographic coverage, and resource supports. Associations are notified of their successful candidates by the Board.

#### **How do Parent(s)/Guardian(s) and other members of the public make their views known to the SEAC?**

Parent(s)/guardian(s) and members of the public can make their views known to SEAC by contacting individual SEAC members and/or associations, communicating through their school councils and school principals, e-mailing or calling the Board Office, through the Board's website, by letter, and by fax. SEAC members should review all other related pertinent policies (e.g., policies on transportation and attendance). SEAC makes recommendations to committees bringing forth pertinent policies. When policies relevant to Special Education are being developed by committee, SEAC is invited to be on the committee.

#### Liaising with Other Board Committees, Departments

SEAC members can liaise with other committees by:

SEAC members have standing invitations to all professional development sessions with respect to special education.

#### Annual Review of the Special Education Plan

The Special Education Plan must be reviewed by the district every year. In the Kawartha Pine Ridge District School Board, SEAC reviews the Special Education Plan annually.

#### Budget

SEAC reviews the financial statements of the Board as they relate to Special Education. All Special Education funding is shared with SEAC and reviewed throughout the school year with respect to services rendered.

SEAC participates in the development of the Board's annual budget for Special Education. During the annual budget process, SEAC is updated monthly, as information arrives from the Ministry regarding the funding of Special Education programs and services, resulting in budget proposals. SEAC reviews the proposals and provides input. The Superintendent of Education with responsibility for Special Education makes the presentation to the Board's Budget Committee on behalf of SEAC and Senior Administration.

SEAC also participates in the development of service delivery models which impact on or are the results of the funding model.
